### Product Description

White oil only booms can be used either on land or on water. Available in two different diameters, they make a great barrier to stop the spread of oil.

### Features

- Absorbs only oil (completely hydrophobic)
- Heavy duty clips and cords allow for booms to be attached together to form a larger barrier
- Spun bond cover is UV resistant
- Floats on water
- Filled with melt-blown polypropylene
- Used in industrial clean-up and spill prevention
